

Product Change Notice

QF-10-04, Rev. A

Release Date: 10/07/2014

Approved By: Mary Anne Giezentanner

Release Date: 2/18/2015
Product Change Notice #: 15-1004-150218
Product Name: Packing Material Change
Models Affected: Not applicable

Purpose of Notification:

In the near future, the protective electrostatic discharge (ESD) bags used to package many of our products will change color. We have not made changes to the product or the protective characteristics of the packaging, only the color of the packaging. The 'Green' ESD bags that we have been using are no longer available from our approved supplier. This change does not affect the product, it affects only the packaging.

As supplies of the 'Green' ESD bags are exhausted, 'Silver' ESD bags will be used as the replacement packaging.

Key Dates:

Last time buy of existing revision: not applicable
Last time ship of existing revision: not applicable
Expected time of new revision: Running change starting in March 2015.

An important part of WinSystems' product lifecycle management program is to provide customers with advance notice of changes that might affect long-term product usage or availability. WinSystems will attempt to provide as much advance notice as possible of changes that affect the form, fit or function of the product, except when an immediate change is required.

If you have technical questions about this product notification, please contact your WinSystems' Applications Engineer directly, or you can call 817-274-7553.
