

Product Change Notice

QF-10-04, Rev. C
Release Date: 12/12/2016
Approved By: Barb Penaska

Release Date: 06/05/2017
Product Change Notice #: 17-1004-170605
Product Name: PS-80W-2 Series Power Supplies
Models Affected: Listed Below

Purpose of Notification:

WinSystems has been notified that a critical part used in the manufacture of these products has reached end of life. Unfortunately, the manufacturer's last time buy notice was not received until the last time buy date had already arrived.

WinSystems has purchased inventory to continue sales forecasted over the next 6-9 months. The units will be allocated as purchase orders are received.

Please contact your Applications Engineer (contact information listed below) to assist you in transition.

Product Identification:

Last time buy of existing revision: While supplies last

Last time ship of existing revision: While supplies last

Expected time of new revision: Contact Applications Engineer

An important part of WinSystems' product lifecycle management program is to provide customers with advance notice of changes that might affect long-term product usage or availability. WinSystems will attempt to provide as much advance notice as possible of changes that affect the form, fit or function of the product, except when an immediate change is required.

If you have technical questions about this product notification, please contact your WinSystems' Applications Engineer directly, or you can call 817-274-7553.
