

Release Date: 12/21/2017
Product Change Notice #: 17-1221-171221
Product Name: CF-DC-A-128M-I
Models Affected: CF-DC-A-128M-I

Purpose of Notification:

Due to the discontinuation of the SLC Flash device used in the CF-DC-A-128M-I, this item is being discontinued by WinSystems. Customers are suggested to move to the next larger sized CompactFlash module in the CF-DC-A product family, which is 256MB.
Contact your WinSystems' Sales Engineer to qualify a larger device.

Product Identification:

Part Number	Description	Replacement
CF-DC-A-128M-I	128G Industrial SLC Dual Channel CompactFlash Card	CF-DC-A-256M-I

Key Dates:

Last time buy of existing revision: Remaining inventory will be sold on a first-come-first serve basis
Last time ship of existing revision: NC/NR Blanket orders will be accepted with a last ship date not to exceed 12/15/2018
Expected time of new revision:

An important part of WinSystems' product lifecycle management program is to provide customers with advance notice of changes that might affect long-term product usage or availability. WinSystems will attempt to provide as much advance notice as possible of changes that affect the form, fit or function of the product, except when an immediate change is required.

If you have technical questions about this product notification, please contact your WinSystems' Applications Engineer directly, or you can call 817-274-7553.
