An important part of WINSYSTEMS' product lifecycle management program is to provide customers with advance notice of changes that might affect long-term product usage or availability. WINSYSTEMS will attempt to provide as much advance notice as possible of changes that affect the form, fit or function of the product, except when an immediate change is required.

If you have technical questions about this product notification or would like to discuss upgrade options, please contact your WINSYSTEMS' Sales Engineer directly, or you can call 817-274-7553 or email sales@WINSYSTEMS.com
