

Product Change Notice

Release Date: 9/3/2014
Product Change Notice #: 14-0004
Product Name: IPC65 Panel PC
Models Affected: PPC65-1x10S and PPC65-1x11B (see chart below for part numbers affected)

Purpose of Notification: In a recent notification from our supplier, WinSystems was informed that the processor used on these Panel PC's has been discontinued. Since the demand for this product is very low, last time buy orders are limited our current stock.

Key Dates:

Last time buy of existing revision: stock

Last time ship of existing revision: stock

Expected time of new revision: contact an Applications Engineer to discuss available options

An important part of WinSystems' product lifecycle management program is to provide customers with advance notice of changes that might affect long-term product usage or availability. WinSystems will attempt to provide as much advance notice as possible of changes that affect the form, fit or function of the product, except when an immediate change is required.

If you have technical questions about this product notification, please contact your WinSystems' Applications Engineer directly, or you can call 817-274-7553.
